Praise for *Mayflower Compact Signers...*

James (Jim) Baker, Author

"The signatories of the Mayflower Compact are often referenced collectively as mere names to be honored as having established the combination by which the political future of Plymouth Colony was secured. In the elegantly designed *Mayflower Compact Signers: 1620-2020 400th Anniversary Edition*, Debra Georgantis-Miller has personalized these ancestral figures by providing biographies to establish their individual identities and, by appending genealogical links to living descendants, demonstrates the lasting heritage of the Pilgrim adventure."

James W. Baker, of Thanksgiving: The Biography of an American Holiday (2009) and Made In America: The Pilgrim Story and How It Grew (2020).

Beth Lambright, SMDOR Governor

"The Oregon Society of Mayflower Descendants has long been using the dandy small booklets that Deb Georgantis-Miller has written on each Mayflower Compact Signer. We gift every new Junior with one, but our adult members have demanded them as well! They are concise in research and filled with information that every member would want."

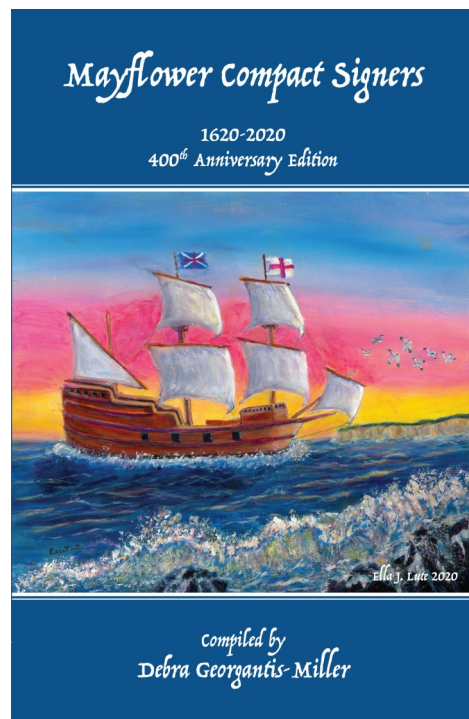

Now Ms. Georgantis-Miller has compiled all these booklets into one book called *Mayflower Compact Signers: 1620—2020 400th Anniversary Edition*. What a marvelous resource for ALL State Societies and especially for anyone who has multiple ancestors who were Signers! Any member can now get research content from all the booklets. This book is just in time for the 400th Anniversary of the Mayflower Compact!"

Beth Lambright, Governor of the Oregon Society of Mayflower Descendants, GSMD Juniors Committee, Thomas Rogers Society, Pilgrim Henry Samson Society, Francis Cooke Society, The Elder William Brewster Society.

Muriel Curtis Cushing, SMDFL State Historian

"In the 400th Anniversary Edition of *Mayflower Compact Signers*, Debra Georgantis-Miller presents a special compilation of the Mayflower passengers, their origins, their families and the early years in Plimoth Colony. A handy reference and a "must have" for every home library."

Muriel Curtis Cushing, Florida State Historian; GSMD silver book researcher; Patriots to Passengers, Delano Kindred Genealogist, author and DNA chair.
